## COMMUNITY VBS: Maker Fun Factory

Created by God. Built for a Purpose.

**August 6-10 from 6:30 to 8:30 pm**

Come play with us at the Maker Fun Factory this August! We'll be playing games, watching videos, having snacks, and doing science experiments as we learn about God's purpose for each of us.

Maker Fun Factory is a world where curious kids become hands-on inventors who discover they're lovingly crafted by God.

Community VBS is for Ionia area children in preschool (ages 4-5) and elementary school (grades K-5).

Middle and high school students have a fantastic time volunteering to help the younger ones, and adults who've helped with the program come back year after year, because it's such an amazing event!

To enroll or volunteer, go to [www.iniafirst.com](http://www.iniafirst.com) (or your church's website) and register.
